Frequently Asked Questions

What do you mean by active learners?

In a specific month, an active learner is defined as someone who has logged into your LMS at least once and has also enrolled in at least one course. If a learner logs in but does not have access to any course, they will not be considered active.

What do you mean by registered learners?

The registered learners represent the total number of user accounts present in your LMS at any given time.

Do I need to enter my credit card details to try any “paid” plan?

No you don't! While signing up, ScholarLMS offers 14 days access to all the premium features for free.

Can I cancel or change my account at any time?

Yes. You can upgrade, downgrade or cancel your account at any time from within your site dashboard.

Do you offer a custom Enterprise plan?

Yes, we provide custom Enterprise plans tailored to your organization's specific needs. If your requirements include over 1,000 active learners per month or necessitate a multi-tenancy setup (multiple domains/sites), please contact us to discuss your options. Our team will work closely with you to design a solution that aligns perfectly with your business goals and user base.

Do you offer discounts not-for-profit organizations?

Yes, ScholarLMS is committed to supporting those who make a positive impact in the world. We provide special discount pricing for qualifying not-for-profit organizations. Please reach out at <https://www.scholarlms.com/non-profits/> to our team to discuss your organization's eligibility and the available discount options. We look forward to helping you further your important work.
